Meet an ASK Founder

This is About Special Kids 30th year of serving Indiana families of children with special needs. In 1987 we were founded by four individuals under the name Indiana Parent Information Network (IPIN). On November 2nd ASK will be honoring our founders at a fundraising breakfast. Last month we introduced you to Gary Collings. This month we would like to introduce you to:

Donna Gore Olsen earned her M.P.H. in Social and Behavioral Sciences from the Indiana University Richard M. Fairbanks School of Public Health in Indianapolis. She holds a B.A. from St. Mary's College Notre Dame, Indiana, in U.S. History and Secondary Education.

Donna was one of the four co-founders of the Indiana Parent Information Network (IPIN) in 1987. That year is a pivotal milestone for her dedicated and long-term career as an Advocate and leader for children with special needs at a state and national level. As a co-founder of IPIN, Donna also served as President of the organization from 1987 to 2004. As President, she assumed many other roles as Principal Investigator and

Project Director for state and federal grants awarded during her tenure.

Her service on many Boards of Directors, Advisory or Steering Committees, Panels, Councils, and Task Forces also has assured that her strong and informed voice on behalf of children with special health care needs and their families was heard when and where it mattered.

Donna's awards include the 2004 Torchbearer Award as a Family/Child Advocate from the Indiana Council of Women and the Distinguished Leadership Award in 2006 from the Indiana Governor's Council for People with Disabilities.

Trending at ASK: Extended Chip Funding

Senate Finance Committee Chairman Orrin Hatch (R-Utah) and Ranking Member Ron Wyden (D-Ore.) today on September 12th an agreement to ensure stability for vulnerable children by extending the Children's Health Insurance Program (CHIP) for five years. The lawmakers' proposal would also over time, transition CHIP to its traditional federal-state partnership and provide additional protections for low-income children and flexibility for states.

Full legislative language will be released in the coming days. The current reauthorization for funding will expire on Sept. 30, 2017. To read more, click [here](#).
